

Request To Enter An EXHIBITION CAR At An RMVR Event

RMVR welcomes cars that may be of special interest to Vintage Racers and our spectators. The term "Exhibition Car" applies to cars that do not meet our eligibility requirements. As stated in our rules;

f. **Selected Exhibition Cars-** At the discretion of, or by invitation of, the race chair, with the counsel of the assistant chief steward, may allow an "Exhibition Class or Car" to participate in an RMVR event. "Exhibition Classes or Cars" participating under this rule are limited to two events per racing season. **The purpose of this rule is to allow cars that may be of special interest to the vintage racing community, but not otherwise eligible, to participate in an RMVR event. It is not to provide an avenue for entrants to regularly run non-eligible cars in RMVR events.**

Any car accepted for Exhibition must meet the RMVR safety requirements. Verify that you and your car have safety equipment as described in RMVR.com, "Rules and Regulations". **This equipment is required for participation in our events.** Please complete an RMVR tech form as a part of your preparation and bring it to the event. Questions? Call Andy Kitchens, Tech Chief at 970-635-0276

Refer to RMVR.com "Schedule" for the chairman of the event in which you wish to participate. Complete this form and mail or E-mail it to the chairman at least **three weeks** before the event. If your car is accepted he will sign it and return it to you. Retain the approved original and send a copy with your entry form and check.
